

Employee Health Services

Care for the whole family right in your neighborhood

The Medical Plaza of Park City is committed to providing the highest quality of care to our community. Whether occupational medical services, family medicine or specialists, we can provide you with the medical care you need — and a trip to the doctor's office is right down the street.

If you have any questions or would like to schedule a tour, please call us at 316-440-4466.
